

<p align="center">The Miami University Council of Teachers of Mathematics (MUCTM) is the university organization which:</p> <ul style="list-style-type: none"> • Promotes excellence in teaching mathematics in elementary, junior high, and senior high schools. • Sets up a forum for an exchange on the teaching of mathematics. • Provides Miami University faculty and students the opportunity to hear professional teachers and attend conferences at the local, state, and national levels. • Publishes for its members a website with information on upcoming events and educational experiences. • Provides a chance for education students to get to know one another outside the classroom. • Supports mathematics education by its affiliation with OCTM (the Ohio Council of Teachers of Mathematics) and NCTM (the National Council of Teachers of Mathematics). 	<p align="center"><u>MUCTM OFFICERS</u> 2007-2008 President Sharon Koch</p> <p align="center"><u>Middle Childhood Vice President</u> Lauren Hausman</p> <p align="center"><u>Secondary Vice President</u> Joani Sanders</p> <p align="center"><u>Secretaries</u> Adam Nafziger Erin Staley</p> <p align="center"><u>Treasurer</u> Wes Taylor</p> <p align="center"><u>Program Chairs</u> Laura Timmers Bonnie White</p> <p align="center"><u>NCTM Representative</u> Gracie Fasano</p> <p align="center"><u>Webmaster</u> Lynn Bahret</p> <p align="center"><u>Advisor</u> Dr. Suzanne Harper</p>	<p align="center">More about MUCTM...</p> <p>MUCTM is an organization which exists solely for the purpose of bettering mathematics education. Its members are dedicated education students and teachers who meet and discuss the current trends and future of their field.</p> <p>There are monthly meetings in which a guest speaker gives a presentation on an aspect of teaching mathematics.</p> <p>MUCTM also sponsors and conducts several Kids Conferences (at schools in southwest Ohio). These are Saturday morning enrichment programs for young mathematics students.</p> <p>MUCTM also co-sponsors Girl Scouts Day (mathematics-science-and-technology conference) with the Women in Engineering and members of the Computer Science and Systems Analysis Department.</p>
